Cris Worley Fine Arts is pleased to announce our upcoming exhibition 'Suddenly *this* Summer' a group exhibition of gallery artists. The work for this show includes the vibrant, bold, and dramatic, appropriate for the current Texas weather and landscape.

'Suddenly *this* Summer' will feature the work of three painters, comic book deconstructionist Ruben Nieto, abstract artist Charlotte Smith, along with the photorealistic yet minimalist canvases of Isabelle du Toit. In the realm of 3-D, William Cannings' inflated steel sculptures, photo-reconstructions by Dallas-based Rusty Scruby, light sculpture by Adela Andea and Paul Booker's plastic and pin renderings of fluid dynamics will round out the show.
